

Homeroom 110/MDS Grades 3-5

Welcome Back!

22-23 SY

Ms. Fiore/Teacher

Dear Families,

Hello and welcome to the 2022-23 school year!

My name is Holly Fiore and this will be my 7th year working for the School District of Philadelphia as a special education teacher serving our multiple disability students at the Edward Heston School in West Philadelphia.

I have been working professionally with children of various ages since 1993. My credentials include a Bachelor of Science degree from West Virginia University and a Master's of Education degree in Instructional Design. I am considered highly qualified by the state of Pennsylvania and my areas of certification include: Elementary K-6 and Mentally/Physically Impaired K-12.

Please familiarize yourself with The School District of Philadelphia website: <https://www.philasd.org/> There is a lot of great information available here!

Also, our specific, Edward Heston School link: <https://heston.philasd.org/>

In our MDS classroom, you can look forward to your student's safety and comfort as our main priority. Providing our MDS students with similar experiences as their grade level peers is important in our classroom. This is accomplished by using a literacy/theme-based approach that is both tactile and sensory, as well as visually and auditorily stimulating. Student specific IEP goals are woven into the student's day from arrival to dismissal.

We look forward to working with your student and having a productive and enjoyable school year!

Sincerely,

Ms. Fiore. hfiore@philasd.org
